

Secondary User Agreement

As the Primary ZDeposit User, I, _____, authorize the following individual to have Secondary User access to all of the properties, units, accounts, funding methods and occupant details available under the ZDeposit account associated with my designated email address and/or username. I understand that the individual designated as the Secondary User will be authorized to open and close new accounts and to perform maintenance on existing accounts, including but not limited to the following:

- View details of both open and closed accounts in ZDeposit and all of the business entities that may be applicable;
- View occupant contact information, including emails, phone numbers, tax identification numbers and other non-public personal information;
- Edit property information, number of units and custom unit names;
- Open new accounts within ZDeposit, which may include their ability to view your non-public personal information;
- Close existing accounts within ZDeposit;
- Initiate debits and credits for both new and existing accounts in ZDeposit;
- Perform any additional functions as granted within applicable business resolutions.

As the Primary Account Holder, I agree to indemnify and hold ZSuite harmless for any actions that occur as a result of the action or inactions of the Secondary User who is being granted access. I understand that the Secondary User will continue to have such access until such access is revoked through the submission of a written notice of termination.
